

JAVADA signed the first MOU on the certificate of Skills Evaluation System with Vietnam government

August 2013

JAVADA and Ministry of Labour, Invalids and Social Affairs of Vietnam signed the MOU on the certificate of Skills Evaluation System as official National Certifications (verifying that skills evaluations in Vietnam will be conducted using the Japanese method) at Hanoi Industrial Vocational College in Vietnam on 2 August 2013. This is the first time that a foreign country has taken Japan's National Skills Test as the basis for its own skills evaluation.

Great hope for increase of skill level in Vietnam

“With this MOU, the level of Vietnam’s technicians will increase and we expect this to be recognized not only in ASEAN countries but throughout the rest of the world”, stated Vietnam’s General Director Mr. Lan, describing the great hopes for Japanese-style National Technical Skills Tests in Vietnam.

JAVADA will keep supporting the Asian countries to promote the Japanese National Skills Test.
